Summary

I was born and grew up in India. I love to travel across peaceful places like Munnar in Kerala. I love to read books that can help me to grow my mindset.

Developed user interactive website with A-Grade performance for an Indian Service-based startup with an open-source facility where they can upload their 3D models for public use.

Developer Expertise

1## HTML5 / HTML

2## CSS3 + SASS

3## javascript

4## React

5## Redux

6## Tailwind CSS & Bootstrap

7## Node

8## MongoDB + Firebase

9## Typescript (Learning)

Soft Skills

- ◆ Effective Communication
- ◆ Team Work
- ◆ Emotional Intelligence
- ◆ Leadership
- ◆ Effective Remote Working
- ◆ Stakeholder Management

AI Skills

1. Prompt Design
2. Fine Tuning

Experience

Graduate Engineer Trainee - Manufacturing Planning

Godrej & Boyce Mfg. Co. Ltd.

Sep 2022 - Mar 2023 (7 months)

- Developed a very efficient plan to make sure that no resources and time is being wasted and used in an efficient way
- Reduced the bottleneck of the machining process by planning all the activities according to the priority and cycle time

- Implemented a standard tooling system where all tools can be used for different projects

Full Stack Developer Trainee

Pesto Tech

Jul 2022 - Dec 2022 (6 months)

- Learned HTML5, CSS3 and Web Accessibility
- Mastered Javascript with advanced concepts like Closures, Promise, Prototypes, AJAX, etc.
- Developed skills to create SPA using react, redux and tailwind CSS.
